

Custom Decals

We also do custom jobs - provide us the dimensions and we'll create it!

WashCard Systems designs and prints customized decals that match the look and feel of your WashCards for all of your wash services. Included with every stainless steel bay box is a high quality, waterproof customized decal with your wash logo, washcard, credit card logos and instructions. For your integrated automatics, a small instruction decal showing card orientation, credit card logos, your washcard & logo is included.
